

Star Tools

A full range of tip sizes from T5 to T60

Wing and flag tools are available in Star and Star Plus tip styles

Unique Bondhus BallStar™ tips bring the advantages of a ball end to tasks requiring a star tip

Precise machining of star tip means ease of entry and full engagement in screw

Wing and flag handles allow a variety of ways to grip the tool. Perfect for applications where other handle types might be awkward to use.

Generate the necessary torque — with ease

Bondhus Star and Star Plus tools fit TORX® brand screws.

TORX® is a registered trademark of Textron, Inc.

Color Coded

 Star

High Torque Steel:

- Up to 20% stronger, with more torque and twice the wear resistance of standard grades of steel.

Corrosion-resistant finish:

- Environmentally safe, provides better tool grip, resists solvents and is 5 times more corrosion resistant than competitor finishes.
