Special Manufactured Products

As one of the few tool companies in the world that will do custom manufacturing, we can help you create the exact tool to fit your application or requirements.

- Call us at 800-638-1830 with your requirements. Our Customer Service Department will speak with you about:
Quantity
Tool type, length and diameter
Construction material and coating

With 35 years of experience, they can offer suggestions on the best tool configuration for your application.

- Our engineering department will quickly process your request and offer a quotation*. Upon your approval, CAD drawings will be created. A simple signoff is all that is required.
- Production will begin. Within approximately 8 weeks from final approval, your Special Manufactured Product will be shipped.
- * F.O.B. Monticello, MN. Quotes are valid for 6 months. Minimum order is \$750 per line item
